

Get your School involved this Christmas with the Santa Stomp!

Heart 102.3 Presents the SANTA STOMP, raising money for Have a Heart and Round Table Children's Wish!

This year we are aiming for our sea of Santa's to take on the chilly Bournemouth Seafront on **Sunday December 6th at 12pm** and raise money for disadvantaged children throughout Dorset and The New Forest!

So how can your school get involved?

This year we are asking participants to get creative and make your costume, from Santa, to his reindeer, an elf or a snowman, this will be a fantastic Christmas event, and with the £5 entry fee everyone receives a Santa hat!

5k Fun Run or Walk, where all the family are welcome, help us make children's wishes come true this Christmas and join Heart for the Santa Stomp!
